

ARCHITECTURAL DESIGNER POSITION AVAILABLE

POSITION	Architectural Designer (licensed or on-track for licensure)
LOCATION	Charlotte, North Carolina
JOB TYPE	Full Time
YEARS OF EXPERIENCE	1-5
CAREER LEVEL	Entry/Mid-Level
EDUCATION	Professional Bachelor's/Master's Degree in Architecture from accredited school

SUMMARY

C DESIGN is seeking a talented Architectural Designer to work under the supervision of Project Leaders and other firm leadership. The right candidate will be willing to contribute to the success of a medium sized, award-winning firm that actively participates in the community. Candidate will be passionate about design, detail-oriented and devoted to client satisfaction. Must be able to work independently or as part of a team and possess the organization skills to prioritize multiple tasks and deadlines.

RESPONSIBILITIES

- Collaborate with design team through all phases of the design process
- Programming and space planning
- Develop presentations including detailed renderings and other related design materials
- Select and specify materials
- Research current building code
- Accurately prepare Construction Documents
- Keep supervisor informed of progress and need for assistance
- Positively contribute to client, consultant and vendor relationships

QUALIFICATIONS

- Progressive work history of 1-5+ years in a professional design practice
- Architectural License or be willing to obtain licensure
- LEED Accreditation and/or Green Globes Professional Certification is a plus
- Proficiency with current industry software required. AutoCad, Sketchup, Adobe Creative Suite and Revit are preferred
- Advanced rendering skills are preferred
- Demonstrated ability to effectively produce design and construction documents
- Understanding of relevant codes such as state building codes and ANSI 11
- Ability to self-manage project assignments from start to finish with reasonable oversight
- Excellent time management, organizational, verbal and written communication skills
- Ability to professionally interact with team, leadership and clients
- Cooperative and solution-oriented approach to all work assignments

BENEFITS

Competitive benefits package includes medical/dental/vision/life/disability insurance, paid time off, comp time, 401k plan, wellness stipend, tuition reimbursement, testing & licensure reimbursement and discretionary performance bonuses.
