POSITION	Architectural Project Designer
LOCATION	Charlotte, North Carolina
JOB TYPE	Full Time
YEARS OF EXPERIENCE	2-5
CAREER LEVEL	Mid-Level
EDUCATION	Professional Bachelor's   Master's Degree in Architecture from accredited school

## SUMMARY

Honored with the 2020 AIA North Carolina Firm Award and the 2018 AIA Charlotte Firm of the Year Award, C DESIGN is a mid-sized architecture, interior design, and planning firm located in Charlotte, NC. Our team works together in an award-winning, industrial open office with welcoming employee amenities and hospitality areas. We have a close-knit, fun, supportive and collaborative culture.

**We are now actively seeking an ambitious Architectural Project Designer** to join our community-focused mindset, vibrant team camaraderie and solid project management process. Working with C DESIGN provides a unique, diverse learning experience in a range of project types including Aviation, Civic, Education, Recreation, Operations and Workplace.

## YOUR RESPONSIBILITIES

- Collaborate with design team in all phases of the design process such as programming, site analysis, and conceptual planning
- Prepare design concepts and presentations including renderings, and other related design materials
- Select and specify materials and finishes
- Perform research related to building code requirements
- Develop Construction Documents
- Perform construction phase tasks including site visits, RFI responses and submittal review
- Assist with consultant, vendor and client relationships
- Self-manage project assignments from start to finish with oversight
- Keep supervisor informed of progress and need for assistance

## YOUR QUALIFICATIONS

- Progressive work history of 2-5 years of experience in a professional design practice
- Hold professional license or be willing to obtain licensure
- Intermediate experience with graphics software such as Sketchup, Adobe Creative Suite and Revit
- LEED Accreditation and/or Green Globes Professional Certification is a plus
- Technical production skills demonstrating the ability to effectively produce design & construction documents
- Possess the organizational skills to prioritize individual and team tasks while handling multiple deadlines
- Ability to effectively work independently or with a team
- Strong verbal and written communication skills with a cooperative approach
- Ability to interact professionally with colleagues, leadership, clients and consultants
- Understanding of relevant building codes
- Passionate about design, detail-oriented and devoted to client satisfaction

## - YOUR BENEFITS

Competitive benefits package available including medical | dental | vision | life | disability insurance, medical flexible spending account, paid time off, seven paid holidays plus one floating holiday, half-day Fridays, remote work, 401k plan, wellness stipend, employee recognition program, tuition reimbursement, testing & licensure reimbursement and discretionary performance bonuses.
